

Surfrider Foundation Ocean Friendly Gardens

free gardening &
landscape workshop

Wednesday, March 10, 2010 6:00 - 9:00 p.m.

Hostelling International Santa Monica: 1436 Second Street, Santa Monica, CA 90401

Surfrider Foundation invites you to learn how to develop an **Ocean Friendly Garden** using the latest sustainable materials and techniques.

Learn how to develop an **Ocean Friendly Garden** using:

- * beautiful native & other climate-appropriate plants
- * water-efficient irrigation devices
- * permeable materials and on-site water retention techniques to reduce polluted runoff from reaching our local beaches and ocean

Space is limited! RSVP required for attendance.

Please RSVP with first and last name, phone and e-mail to:
