

ECO GARDENER WORKSHOP

In Partnership with Long Beach Utilities

WHERE:

Long Beach Water Department
1800 E Wardlow Rd,
Long Beach, CA 90807

IRRIGATION BASICS
10AM - 12PM

Learn how to get the most out of your irrigation system so that we can conserve water, live more sustainably, and save money on our water bill while we're at it. This class will give you simple tools to control your irrigation system effectively.

DROUGHT-TOLERANT PLANTS
10AM - 12PM

Planting a drought-tolerant garden can alleviate the high demand on our precious water resources while saving you money! This class will introduce you to California native plants and other water efficient plants for your garden.
